Dear Mr. Hannon and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 13 to the Rural non-Metropolitan Planning Organization (MPO) area portion of the California 2013 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity by approximately \$13.9 million. The financial plan will be updated to reflect this change in the next formal amendment.

FSTIP Modification #13 amends the following existing projects in the 2013 FSTIP:

1. CTIPS ID 230-0000-0066, Grouped Project Listing for Safety Improvements – State Highway Operation and Protection Program (SHOPP) Collision Reduction – modifies the delivery schedule of various projects on the detailed backup listing consistent with approved SHOPP amendments. No change in total cost.
2. CTIPS ID 230-0000-0134, Grouped Project Listing for Safety Improvements – SHOPP Mandates – increases total funding by \$7.643 million consistent with approved SHOPP amendments and updates the detailed backup up listing.
3. CTIPS ID 230-0000-0069, Grouped Project Listing for Pavement Resurfacing/Rehab – SHOPP Roadway Preservation – increases the total funding by \$6.185 million consistent with approved SHOPP amendments and updates the detailed backup up listing.
4. CTIPS ID 230-0000-0029, Grouped Project Listing for Emergency Repair – SHOPP Emergency Response – modifies the delivery schedule of one project on the detailed backup listing consistent with approved SHOPP amendments. No change in total cost.
5. CTIPS ID 230-0000-0159, Grouped Project Listing for Safety Improvement – Highway Safety Improvement Program (HSIP) – adds \$112,000 of Congestion Management and

Air Quality Improvement Program for one project in Amador County and updates the detailed backup up listing.

6. CTIPS ID 130-0000-1916, Butte Street South Reconstruction – modifies fund source from state to federal funds. No change in total project cost.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2013 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
